This list is compiled based on song requests made using the DJ Event Planner song request system www.djeventplanner.com

The DJ did an amazing job at our wedding! We loved the mix of music he played and so did our guests, it was perfect for our tastes and what we had indicated we liked in the lead up to the day. After a perfect mix of dinner music, he then kept the dance floor busy the entire night, and at the end, no one wanted it to be over, from the 18-year-old to the Grooms' 78 year old Uncle! The DJ was always polite, professional, and made sure everything ran smoothly, keeping us informed at all times. We couldn't fault him.
