*Our DJ was absolutely lovely! The first words that came from him was congratulations and wished us a night full of fun. Our DJ was happy to chat to guests and was so polite. We are beyond happy with his services and would highly recommend to friends and family. We had countless amounts of family and friends mention they loved the DJ's choice of music, he took requests and his overall personality. He really made the night! The online system was a great idea. Made the process easier and was easy to use.*
